We Pray for the Street Pastor team going out every Friday evening from Orpington Baptist Church.

We thank you Lord for every Street pastor and we pray for them as they share your love with others. We ask you to protect them when they go out into the environment in all types of weather, give them courage, wisdom and strength to do Your work. Amen

We praise God for the launch, last June at Unity Church on the Ramsden estate, of the Orpington CAP Job Club. We give thanks that volunteers from 6 different churches across Orpington are currently involved with this exciting new ministry – the partnering of the local church, with Christians Against Poverty, to reach out to those in our town who are struggling with unemployment. Please pray that this ministry will grow and flourish, so that it can become a real source of blessing to many. The aim of the Job Club is not only to equip people with practical skills, which will improve their prospects of finding employment, but also to show them the love of God as they journey through the 8 week Programme that CAP Bradford have put together. We also pray that finances will also continue to come in so that the Job Club remains financially sustainable. Amen
