

Rosary & Fellowship Filipino Community 31st October 2024

Thank you

Each year during the during the month of October the Filipino community of Holy Innocents in Orpington meets very night in their individual homes with the Rosary led by their children, followed by fellowship. Each donates a sum for the church. On the final day of October they meet in the Church, the children lead as all pray the rosary, then have fellowship in the Fr Phelan Centre to which others are invited.

Over £900 was donated to Fr Victor for the upkeep of the church.

The Filipino community is greatly thanked for their generosity.
