

Orpington First Food Fest 8th September 2019

Churches Together BBQ stall

12 noon to 3pm

It was a lovely day in the market Square at Orpington for the food fest. Churches Together was given a BBQ for people with free food, namely a Hot dog or a cheese burgher.

Several Churches took part with any people from different congregations cooking, preparing an serving the food.

Each Church donated items towards the function, and thanks go to Faye of Sainsbury's Orpington, donating many bottles of water and adding some free rolls to those purchased.

Though the number of recipients was increased from last year, the queues were reduced due to the efficiency of the cooking team and the serving team! Many people from all congregations came to support and encourage the teams.

Ministers prayed with people and there was opportunity for some to speak to people about Jesus.

The weather was great and many people attended...all 800 rolls were given to hungry recipients. Some homeless people were present also.

Food is being prepared, the cooks can just be seen above. All worked non stop all afternoon.

A man in a green apron stands next to a large poster for Bromley Borough foodbank. The poster features a large green can with the word 'CAN' on it and the text 'Bromley Borough foodbank You CAN make a difference'. The man's apron says 'Help feed the neighbourhood foodbank'. The background shows a city street with buildings and trees.

The Churches Together Choir was a great success and thanks go to Jonathan Newman from Orpington Baptist Church who brought the choir together

Matthew 4:4

Jesus answered, "It is written:
Man shall not live on bread alone, but on every
word that comes from the mouth of God."
