

## Youth Alpha at Holy Innocents' autumn 2021 – spring 2022

### Course registration form *(please complete both sides)*

Dear Parents/Guardians

We are very pleased that your son/daughter wants to join the Youth Alpha course. Thank you for taking the time to complete this form. We'll use the information you provide to administer the course, including inviting your son/daughter to follow-up events and activities, and for ensuring the safety and well-being of the young people on the course.

If your son/daughter decides to go on to Confirmation after Youth Alpha, we will use your information and permissions for Confirmation – in that case, when this form refers to Youth Alpha, it's also referring to Confirmation.

Apart from that, we won't use the information you include on this form or make it available to any other individuals or groups for any other purposes without your permission.

### Photography and filming

We may occasionally for publicity purposes take photos and make videos of sessions, including some of the young people talking about Youth Alpha.

We may display photos and show videos in a church setting and make them available on our parish website and Facebook page (and on any possible future parish Alpha, Youth Alpha or youth Facebook pages or other social media presence). But don't worry if you don't want your son/daughter to be included - we'll only do it if you give your permission below.

**Please note:** *We will also be asking your son/daughter for their permission to use their image.*

## Leaving and going home – for participants up to and including 16

It's great that your son/daughter wants to be part of our Youth Alpha course. We all want to keep them safe. So if they are not yet 17, can we please check what's happening about them getting home?

### Leaving at the end of the session

Please tick one of the following:

It's ok for my son/daughter to leave the church when the session ends. I/we will arrange with them how they are to get home (making their own way, with friends, being picked up, etc)	
Please ask them to stay in the church until I/we come and pick them up	

### Leaving during the session

Everything about Youth Alpha is voluntary. We won't insist on your son/daughter staying in a session if they don't want to. But we can ask them to wait in a separate room until the session ends or you come to pick them up.

If your son/daughter wants to leave during a session: (please tick one)

It's ok for them to leave the church (Note – we'll call one of your contact numbers to let you know they have left)	
Please ask them to stay in the church until the end of the session or until I/we come and pick them up	

**If we ask your son/daughter to stay in church but they insist on leaving anyway, we will call one of your contact numbers to let you know they have left.**
